

Statistical press release

Luxembourg, 20 December 2016

Evolution of reserve requirement

The Banque centrale du Luxembourg (BCL) informs that the amount of the reserve requirement, for the period of maintenance from 14 December 2016 to 24 January 2017, amounts to 4 468 million euros.

The minimum reserves for credit institutions to hold with the BCL have increased by 126 million euros compared to the previous maintenance period.

Statistical series relating to the minimum reserve requirements of credit institutions are accessible on the BCL's website using the following link:

http://www.bcl.lu/en/statistics/series_statistiques_luxembourg/01_Mon_Pol_Stat/
