

Statistical press release

Luxembourg, 3 August 2018

Evolution of reserve requirement

The Banque centrale du Luxembourg (BCL) informs that the amount of the reserve requirement, for the maintenance period from 1 August 2018 to 18 September 2018, amounts to 4 965 million euros.

The minimum reserves for credit institutions to hold with the BCL have increased by 224 million euros compared to the previous maintenance period.

Statistical series relating to the minimum reserve requirements of credit institutions are accessible on the BCL's website using the following link:
