

Banque centrale du Luxembourg, member of the Eurosystem, is looking for immediate entrance in its IT Infrastructure section for an:

ADMINISTRATOR WINDOWS/VMWare (m/f)

Full time (ref.: IT/020/11)

Main tasks and responsibilities:

- Installation, configuration and management of MS Windows systems (2003/2008/XP/7) and of the VMWare infrastructure of the BCL
- IT equipment acquisitions and license management
- Support to end-users

Qualifications, experience and competencies:

- Bachelor's degree in IT
- Solid experience in the domains of Windows and VMWare administration
- Excellent skills in Microsoft Active Directory administration and group policies
- Excellent knowledge of server virtualization with VMWare (especially VMWare ESX 3.5) and of the VMWare Infrastructure Manager
- Good know-how in the administration of SQL Server, DHCP, DNS, DFS, WSUS and MSCS
- Awareness, research and application of security best practices
- As the following areas will be part of the daily job, experience in them will be considered as an advantage: Document Management Systems, Mailing systems, Project Management, ITIL, Microsoft System Center Operations Manager, HP Insight Manager, Microsoft System Center Configuration Manager and Microsoft PKI Infrastructure
- Proven Team spirit
- Strong communication skills in the usual languages in Luxembourg are a precondition. Very good command of English.
