

Luxembourg, 18 March 2019

## Evolution of reserve requirement

The Banque centrale du Luxembourg (BCL) informs that the amount of the reserve requirement, for the maintenance period from 13 March 2019 to 16 April 2019, amounts to 4 968 million euros.

The minimum reserves for credit institutions to hold with the BCL have increased by 43 million euros compared to the previous maintenance period.

Statistical series relating to the minimum reserve requirements of credit institutions are accessible on the BCL's website using the following link:
