

Luxembourg, 18 September 2020

## Evolution of reserve requirement

The Banque centrale du Luxembourg (BCL) informs that the amount of the reserve requirement, for the maintenance period from 16 September 2020 to 3 November 2020, amounts to 5 275 million euros.

The minimum reserves for credit institutions to hold with the BCL have increased by 7 million euros compared to the previous maintenance period.

Statistical series relating to the minimum reserve requirements of credit institutions are accessible on the BCL's website using the following link:
