1 New contracts refer to any new agreement concluded between the household or the non-financial corporation and the reporting agent. New contracts include all financial contracts which mention for the first time the interest rate pertaining to the deposit or credit and all renegotiations of existing deposits or credits.

2 Variable interest rate or rate with an initial fixation period inferior or equal to 1 year.

3 Fixed interest rate weighted by the amounts of contracts for all mortgage loans granted, whatever the initial rate fixation period (above 1 year). This series has been published by the BCL since February 2009 only for methodological reasons linked to the identification of reporting agents.

The interest rate on consumer loans that have an initial fixation period above 1 year and below or equal to 5 years has increased by 2 basis points on a monthly basis to reach 1.41% in March 2021 whereas the volume of newly granted loans has increased by 3 million euros to reach 75 million euros. On a yearly basis, the interest rate has decreased by 3 basis points whereas the volume of new lending has increased by 28 million euros.

The interest rate on households' fixed-term deposits that have an initial maturity below or equal to 1 year has reached 7 basis points in March 2021 from -3 basis points during the previous reference period. On a yearly basis, this rate has increased by 4 basis points.
