

Luxembourg, 28 July 2021

## Evolution of reserve requirement

The Banque centrale du Luxembourg (BCL) informs that the amount of the reserve requirement, for the maintenance period from 28 July 2021 to 14 September 2021, amounts to 5 655 million euros.

The minimum reserves for credit institutions to hold with the BCL have increased by 98 million euros compared to the previous maintenance period.

Statistical series relating to the minimum reserve requirements of credit institutions are accessible on the BCL's website using the following link:
