## NEXT LAUNCH OF THE 10th EDITION OF THE "GENERATION EURO STUDENTS' AWARD" COMPETITION

Information and launch teleconference on Thursday 20 October from 3:30 to 4:30pm. Write to [generationeuro@bcl.lu](mailto:generationeuro@bcl.lu) to subscribe.

For the tenth consecutive year, the Banque centrale du Luxembourg (BCL) is joining forces with the European Central Bank (ECB) and around ten other national central banks in the euro area to organise the Eurosystem's "Generation Euro Students' Award" school competition.

The "Generation Euro" competition is open to secondary school students aged 16 to 19 interested in economics. The competition is played in teams of three to

five students supervised by a "coach" teacher. Any team can participate in English or French.

Once registered, teams will be able to take part in the first event, an online quiz with 30 questions that will be available until 20 November 2022 on the competition site [www.generationeuro.eu](http://www.generationeuro.eu). The best teams at the end of this event will qualify for the second event, in which the teams will have until 1 February 2023 to propose in writing a monetary policy decision on the basis of an analysis of the economic situation and of the monetary and financial situation in the euro area. The top three teams from this second round will be called for the final in March or April 2023 (exact date to be confirmed), where they will have to explain to a jury of BCL experts the reasons for their new monetary policy decision.

All students taking part in the final of the "Generation Euro" competition will be awarded a prize and a certificate of achievement, and will have the opportunity of completing a summer internship at the BCL.

An information and launch teleconference will be organised on Thursday 20 October from 3:30pm to 4:30pm. This first event is organized virtually.

For organisational reasons, teachers and students interested in attending this meeting should register by sending an email to [generationeuro@bcl.lu](mailto:generationeuro@bcl.lu) by 19 October at the latest. If you are unable to attend this meeting but are interested in receiving information on the organisation of the competition, please do not hesitate to write to the same address.
