The final and award ceremony of the Eurosystem's secondary school competition "Generation Euro Students' Award" were held on Thursday 3 April 2025 at the BCL's headquarters. It concluded the twelfth edition, launched in October 2024, of the competition in Luxembourg.

71 teams took part in the first round of the competition, an online quiz with 30 questions about the Eurosystem and its monetary policy. Of these 71 teams, 21 were selected for the second round, in which they had to make a monetary policy decision and explain in writing the reasoning behind that decision.

The final of Thursday 3 April 2025 brought together the top three teams from the second round, which had to present a new monetary policy decision and answer questions from the BCL jury.

After the teams' presentations and the jury's deliberation, Mr. Gaston Reinesch, Governor of the BCL and member of the Governing Council of the ECB, opened the award ceremony.

The list of laureates is as follows:
