

**Lettre circulaire**  
**Ref. ISP 17-02**

Luxembourg, 28 August 2017

To all payment institutions  
To all electronic money institutions

**Reference: Follow-up on circular letter dated 20 January 2017 (ref. ISP 16-01) – table V1.15 test phase<sup>1</sup>**

Dear Madam, Dear Sir,

By way of the circular letter dated 20 January 2017, Banque centrale du Luxembourg invited all payment institutions and electronic money institutions to test the reporting of additional payment data under table V1.15, aiming at capturing the payment services activity they provide to users.

During the test phase, we identified a few points to be amended (e.g. the codes applied for two dimensions in table V1.15.3). BCL shall provide the updated XML schema as soon as possible. The test phase shall end and the formal reporting of V1.15 shall start with the publication of the final instructions in the version 6 of Regulation BCL/2011/9 scheduled in 2018.

Institutions wishing to report any other issue uncovered during the test phase are kindly requested to contact us ([market\\_infrastructures@bcl.lu](mailto:market_infrastructures@bcl.lu)) until the 29 September 2017.

Sincerely Yours,

BANQUE CENTRALE DU LUXEMBOURG
