Virtual Info session n°14 on Common components (Billing, DWH, ECONS)

2021-11-25

9h30 – 12h

WEBEX EVENT

The BCL only provided a short oral update to the audience. General information about common components was shared during the session n°3 «Introduction to TARGET Services».

Detailed information will be shared in the course of 2022 by the BCL via email and during infosessions and user groups meetings, once these components will have been fully delivered and tested by the Eurosystem.
