This Co-Management form should be completed in case the HAM account holder wishes to have its HAM account co-managed by another participant (must be a direct participant) so called "the co-manager". The Co-Manager of the HAM account should be already designated in the TARGET2 SSP form #X100 "Static Data for Home Accounting Module".

Both parties confirm that they have agreed on the Co-management of the HAM account mentioned in (1) by the respective Co-Manager mentioned in (2).

By signing the form the co-managed HAM Account holder is still able to manage directly his reserve requirements, but delegates the cash flow management to another credit institution which has to be a direct participant in TARGET2 and is designated as the co-manager.

The Undersigned declare(s) to have the full capacity and authority to execute the TARGET2 form for and on behalf of the Participant requesting activation.
